

## Welcome to Mark's In & Out

Mark's In & Out is now open for our 54th season!

Mark's In & Out is an original 50's drive-in established in 1954. We feature great burgers made from 100% pure beef, ground fresh daily, never frozen. Each Beefburger is cooked and dressed to your desire! We have crispy fries and onion rings and we serve Livingston's own Wilcoxson's ice cream in our shakes, malts and cones. We always have the great music from the 50's and 60's playing and we feature roller skating carhops on Friday and Saturday nights during the summer! Check out our photo gallery!
